#### Other Events

Mar 20—Won't You Be My Neighbor Day

Apr 1—Library Board Meeting, 7pm

Apr 9—National Library Workers Day

TBD—Crafting with Jami

### National Library Workers Day

Come join a staff member for a drink and donut! We will also be featuring staff profiles on our social media. We would love to hear how we have helped you!

### Your Library Staff

As National Library Workers Day approaches, we thought it would be a great time to catch you up with your current and former library staff!

**Michelle** greets you first thing in the morning as our opening clerk. She is a recent graduate of Deckerville High School and we're thrilled that she decided to continue with us even after securing a full time job. She enjoys reading mysteries and nonfiction, with a special interest in mental health. She also frequents our section on Michigan hauntings!

**Bobbi** joined us just after Michelle and is the person you are most likely to see in the library as our assistant director. She has been taking care of following up on all of your MeL loans, and even caught up with overdue items! While Bobbi moved to Deckerville fairly recently, she has strong family ties to the area. She also enjoys mysteries, and something with a bit of steam in it doesn't hurt.

**Jen** is thrilled to return as the director. You can find her with the new little one in the mornings, or other times as needed. Linoor will return as a story time participant. Many thanks to her dad and Katherine for keeping up with her while mom is at the library! We really want to develop our community connections, so please let us know how we can be of service!

**Jess** is also back in the afternoons and ready to find that perfect next book for you! She has also been finding wonderful resources to use during our upcoming programs. We would appreciate any help to make sure those get used in well attended events ☺ She reads pretty much every genre, we dare you to try to keep up with her reading schedule!

**Jami** will be returning for a crafting program soon, depending on the grandbaby schedule, so stay tuned for updates!

**Brittany** has been missed and we were so excited to have her and family join us for our story time with Great Start Collaborative and MDHHS. Maybe we can get her to join for future ones, as well!

You could also keep up with Brittany and Jami by joining the board of the Friends of the Deckerville Public Library.

### Won't You Be My Neighbor Day

We are so excited to celebrate the birthday of Mr. Rogers with Won't You Be My Neighbor Day. We will be using cardstock to construct a building for our own Neighborhood of Make Believe. Participants will also make a puppet and fill out an intro card with some fun facts about themselves. Visit the library to meet your neighbors! Display will be up throughout the week.
